

EAPCI and Hungarian Society of Cardiology, Hungarian Association of Cardiovascular Interventions – Fellow Course

9 OCTOBER 2019, WEDNESDAY

09⁵⁰ – 10⁰⁰ OPENING CEREMONY OF THE FELLOW COURSE

(Gábor Tóth, Sándor Nardai)

10⁰⁰ – 11³⁰ INTRAVASCULAR DIAGNOSTIC – *in collaboration with PCR Next Gen*

FACILITATOR: *Toth Gábor / Dejan Milašinović / Nardai Sándor*

COMMENTERS: *Zoltán Ruzsa / Zsolt Piroth / Iván Horváth*

Gábor Tóth: Essentials of FFR/NHPR

- In which cases should be used
- Steps of the measurement

Gábor Tóth / Dejan Milašinović: Case-based interpretation – FFR/NHPR in clinical

- Typical cases from daily practice

Dejan Milašinović: Essentials of IVUS (Milašinović)

- In which cases should be used
- Limitations & Advantages

Gábor Tóth / Dejan Milašinović: Case-based interpretation – IVUS in clinical practice (Tóth/Milašinović)

- Key findings (angio => ivus => explanation)
- No fancy cases but most typical examples from everyday practice

Sándor Nardai: Essentials of OCT (Nardai)

- In which cases should be used
- Limitations & Advantages

Gábor Tóth / Dejan Milašinović: Case-based interpretation – OCT in clinical practice (Tóth/Milašinović)

- Key findings (angio => oct => explanation)
- No fancy cases but most typical examples from everyday practice

11³⁰ – 12³⁰

Lunch break

12³⁰ – 14⁰⁰

BIFURCATION PCI – in collaboration with PCR Next Gen

FACILITATOR: *Gábor Tóth / Dejan Milašinović / Sándor Narda*

Case-based interactive session

- Goal of this session is to generate the thinking process:
 - Concept & steps of provisional T
 - When pT is not working
 - What are the bail-out options
 - Commenters: Zoltán Ruzsa / Iván Horváth

14¹⁵ – 15⁴⁵

SHOCK IN STEMI

FACILITATOR: *Sándor Nardai / Iván Horváth*

Sándor Nardai: My cardiogaenic shock case

Zoltán Ruzsa: Complex treatment of the cardiogaenic shock

Ferenc István Édes: Short term assist devices in cardiogaenic shock

15⁴⁵ – 16³⁰

COMPLICATION MANAGEMENT

FACILITATOR: *Sándor Nardai / Zoltán Ruzsa*

COMMENTERS: *Zoltán Ruzsa / Zsolt Piroth / Dejan Milašinović*

Zsolt Piroth: My radial access complication case – what happened

Zoltán Ruzsa: Access site complications

Zsolt Piroth: My radial access complication case – how did I solve it

Péter Domsik: My stent dislodgement case – what happened

Zsolt Piroth / Zoltán Ruzsa: Stent dislodgement

Péter Domsik: My stent dislodgement case – how did I solve it
